APRIL 2026	History (Conceptual)	History (Factual Focus +Extra Concepts)	Tricks & Mnemonics for easy learnings
MAY 2026	Polity (Conceptual)	Polity (Factual Focus +Extra Concepts)	Covering grey areas from where direct questions come in UPPCS
JUNE 2026	Geography (Conceptual)	Geography (Factual Focus +Extra Concepts)	Linking environment with Geography. UPPCS is focusing there i.e. environmental geography , Map work
JULY 2026	Science & Tech (Conceptual)	Science & Tech (Factual Focus +Extra Concepts)	UP State-Specific + Current Affairs (Pre-exam integration)
AUGUST 2026	Environment + Economy (Conceptual)	Environment + Economy (Factual Focus +Extra Concepts)	UP State-Specific + Current Affairs (Pre-exam integration)

IMPORTANT NOTES (check coverage in POSTER IMAGE)

- All printable notes will be provided. With UPPCS increasingly aligning its format with the UPSC pattern, this schedule has been carefully designed to ensure comprehensive coverage through a smart, exam-oriented approach avoiding the usual overload of irrelevant or bulky content.
- Classes can be watched offline on the **X IAS App** and portal.
- UP Specific & Current Affairs classes will start 2-3 months before the PRELIMS exam.**
- Online Test Series** is *highly likely* to be provided **FREE** in CP Batch (*not committed at the time of launch due to fee affordability*).
- Faculties in CP Batch** are those who have:
 - Appeared in **UPSC/UPPCS Interview, or rankers.**
 - Appeared in **4–5 UPSC/UPPCS Mains.** (faculties are subject to change depending upon the quality of content delivery)

6. **This schedule is subject to minor changes.**
7. **1:1 Mentorship Support** will be provided at a personalized level.
Students must send their **fee receipt** to Telegram ID: **@BTSXIAS**
or click: t.me/@BTSXIAS
Fee receipt can be checked on e-mail or chat window of the **X IAS App**:
https://play.google.com/store/apps/details?id=co.bolton.csvby&pcampaignid=web_share
8. **X IAS focuses on result-based quality content & mentorship.**
